What's This About? When you watch Kartavya Bengali movie dvdrip free download, there are really three main characters: the outcast boy Lakhinandan who has been exiled from his village; the mysterious Jibananda; and finally there's the lovely Basanti, who will do anything to get Lakhinandan back into her life. The story starts with a beautiful young woman, Basanti, finding a young boy, Lakhinandan. We don't know much about his past but we do know that he's been exiled from his village. She takes him into her home and cares for him as if he were her own child. The two of them form a special bond as Basanti teaches Lakhinandan to read and write as well as helping him to fit into the local culture. The two become very close but then Jibananda comes into their lives and things start to change. . . . The bond between Basanti and Lakhinandan feels very real with both of them offering each other love and assistance throughout the story. On the other hand, Jibananda is shown as a very mysterious character. Though he appears friendly at first, there's a lot of conflict inside him which you'll probably never see coming. If you're a fan of Jibananda, you'll be thrilled to know that he ends up paying for everything he has done in this film. You'll also be pleased to hear about Jibananda's past which is full of pain and tragedy. The film also includes the tale of two warring tribes which are shown through expressionistic lighting and dark colours. The film's title is symbolized by an old stone bridge over a river which is being used for the first time in years. If you're wondering why this movie got its name, it's because Act II begins with Lakhinandan being taken to the public square by Jibananda. Lakhinandan's parents have been exiled from their village but are still living there; we later find out that Lakhinandan is the only one who has survived.
