

/05/2011 · guitarwithlessons is an educational website created for beginner guitar players. I am a beginner myself, and will be teaching myself guitar. WordPress Websites Buying a new WordPress website can be a tough decision, but the right web solution will last you a lifetime. We've built hundreds of websites for small business owners, and we've been making them shine for years. Our top priority is providing the best possible experience for your customers. That means good design, high quality hosting, and technical support to make sure your site's fast and accessible. "The biggest thing I love about GSD web is their ability to understand the needs and goals of my business, then build a website to match my company. I have used other web companies in the past and can say GSD is by far the most responsive, attentive and creative team I have worked with. I would recommend GSD web to anyone looking for the perfect web presence." Buy Your New Website The GSD web team will work with you to create a website that matches your needs. We'll let you know exactly what you need for your site, so you can choose the right solution for your budget. There are a variety of different products available, and we'll work with you to choose the one that's right for your company. We'll set up a plan that will last you for years and can be easily managed by you. Whether you're interested in WordPress, a custom site, or a blog, we can build it for you. Our Pricing Starts at from \$899.00 Videos Client Testimonials What We Do After creating the website you choose, the GSD web team will host your new site on their secure and reliable servers. They'll also take care of backups, and will check your site regularly to make sure it's running smoothly. We'll also provide web hosting and technical support to make sure your site is always online. Q: Javascript table sorting I'm using this code to sort a table. But it's only sorting the first row of the table. function sort(element, ascending) { var a = \$(element).find("td:nth-of-type(1)").text
