friendly roxio easy vhs to dvd 3 plus vhs to dvd final version Roxio Easy VHS to DVD 3 Plus's user interface isn't flashy or overly intuitive, which makes it difficult to use if you're unfamiliar with video editing and DVD-authoring software. The interface will get easier to use over time, but it's not as simple as Pinnacle's or Adobe's encoders; especially when you consider that Roxio doesn't create the DVD menus, navigation discs, or disc masters. Feb 12, 2020 Roxio Easy VHS to DVD 3 Plus 2.0.0.19 offers so much more than just ripping VHS to DVD. It's one of the most powerful video-to-DVD converters available. The product lineup includes not only the core VHS to DVD functionality, but also a DVD authoring suite, disc authoring tools, a screen recorder, and plenty of other software. Roxio Easy VHS to DVD 3 Plus features more than just ripping and converting, it's an all-in-one video editor that's easy to use. For the weekend so after dropping a pile of fairly heavy books off at college I thought I would scan some pics of my dorm room and the hackey kackey that they serve up in these places. This is just the start of a very mini wall of photos of my room, there is more to come in the next few days, so do check back soon or sign up to the newsletter for more pics.
