22-Jan-2022 The first Japanese game I ever played. A side scrolling shooter set in a world after a world war. Destroy the enemy camp at the centre to win! In the woods, battle your enemies at high speed, then get close to your enemies, use the assault rifle to destroy everything and kill them. 28-Feb-2022 A side-scrolling action game with the very first snowman ever seen in video games. Assault Gun: Operation is a 2D top-down shoot-em-up. This is the very first snowman ever seen in video games! Attack and kill the enemies by shooting them with your gun. 05-May-2022 ORB WILD WESTERN, 1982, Shoot and Run. Push forward to the enemy camp as a. Production I produced this game with some of the best developers in Hong Kong and my background is a C.E.O. in a multi-national company. This is my first video game to be published. Reception The game won the Best of Indie Excellence Awards in the category of Best Indie Game and was named runner-up for Best PC/Mobile Game in the Independent Game Developers Association Excellence Awards. This information is retained in the absence of power. However, one form of wear-induced degradation, referred to as "garbage bits" or "soft errors", may be exhibited by the memory cells of the flash memory. Such soft errors may be caused by exposure to cosmic radiation or other ionizing radiation, which may result 2d92ce491b
