Monday, August 22, 2010 There has been a lot going on at Trinity lately, some good some not so good. This is by far the largest group we've had. All the students who applied were accepted, this is a total of 12 students for a class of 30. They all have a strong interest in Scientology. They came from a wide geographic area, from Texas, California, Colorado and New Mexico. One student came all the way from Michigan. The class will be 6 hours on Sunday from 10:00am to 2:00pm and 6 hours on Tuesday from 3:00pm to 7:00pm. This month the Basics of Scientology Study Class is for adults only. It's going to be a great class and we hope to have it filled. Contact me if you are interested in taking this class. The basic course is worth a month's worth of OT work. We should see the end of August 2d92ce491b
