Simply click on the words to form a valid scramble word. If your word is formed and you are happy with it, click "start". The numbers of letters that can be used is "1-9". To get the next letter, click on the number. The world famous card game is here for you to enjoy! This exciting, addictive card game was made for all ages to enjoy. Briefly describes the gameplay: The object of the game is to be the first to build a sequence of 3 or more horizontal, vertical or diagonal pairs in a row, according to the game rules. If you think you have made a sequence, you can check it to be sure. If it is not valid, you must try to find out what you need to do to make it valid. Game rules: - Each player has 5 cards, numbered from 1 to 5. - The first player to get 3 pairs in a row is the winner. - If you get 3 pairs of the same kind of pair, you are the winner. - If you have a pair, and the other players don't have one of the same pair, you are the winner. - The game is over when someone wins the game or if there is no winner. - You can swap your cards with your opponent if you think that you are winning. - If you have two cards of the same number, you must swap them. - You can't have more than two pairs of the same kind of pair at one time. - You can only pair one card per turn. - You can pair any number of consecutive cards, but only 1 per turn. - You can only swap pairs after the game. - If you get a sequence of three, you must pair them. - You can't have two consecutive pairs. - You can't use a pair, if it is in the way. - If you pair a pair of two consecutive cards, the pair is taken away and you lose a pair. - If you have only one pair, you lose
