View site-. Batman: Arkham Asylum - game update v.Black Clover: Quartet Knights Free Download (Incl. Update 5 & ALL DLC's) Black Clover: Quartet Knights is out now for PC, PS4, and Switch!. It's the sequel to Black Clover: Quartet Knights. Let's aim for, as a final objective, the cutting of the head of Izanami so that the body of the traitor will return to hell. Black Clover: Quartet Knights is an anime role-playing game developed and published by BANDAI NAMCO Games. Set in the world of Black Clover, it features classic anime style graphics and an RPG system that allows players to change direction to suit their play style. Senyu was born in the lost village of Sani, where his parents had been exiled due to their witch ancestry. Along with his childhood friend, Yuki, he was brought to the city of Leafa, where all the country's children are raised by their respective fuedal lords. The upper class, known as the Daulidai, are descended from a secret royal line that traces its roots back to the times of the powerful Qin empire and the legendary Emperor Yu. The Daulidai inherited their patrilineal position by a blood relationship with the line of Emperor Yu's nephew, the legendary Emperor Yukawa (father of Senyu's ancestor Yuuka). Young Senyu and his cousin Yuuki were raised by their uncle, Inukai, and were soon recruited by his friend, Duke Myuu, to be part of an elite group of warriors known as the "Black Knights" — or, more commonly, as the "Four Knights." Senyu and his Black Knights are tasked with carrying out the "Tokubetsucho," or "Wish-granting Firebird," ritual to help the emperor's younger son find his way back to the Daulidai. However, they

discover that the fourth, unseen Knight of their group may be a traitor. Senyu and Yuuki are rescued by their house tutor, Kawashiro, in the aftermath of a disastrous battle at the castle of Duke Myuu. They find out that their house tutor is actually the illegitimate son of the third son of Emperor Yu, and they discover that he's also the master behind the four missing Black Knights. As soon as Senyu learns that the fourth Knight is the traitor, he confronts him in a desperate
